IDENTIFIERS	*North Carolina

ABSTRACT

Listed are approximately 5100 professional textbooks or instructional materials available to clients from the three Special Education Instructional Materials Centers in North Carolina. Client status is said to be available to anyone concerned with the education of exceptional children. The procedure for borrowing items from the centers is explained. The listing is said to be inclusive through June 30, 1971. Listings generally include call number, title, annotation, source, copyright date, and price. Items are listed under 25 categories of professional textbooks such as mental retardation and hearing handicapped and under 16 subject areas such as reading and social studies. Also provided are publishers' addresses. (DB)

FOREWORD

This Union Catalog represents the continuing commitment of the North Carolina Instructional Materials Center Network to the improvement of instruction in classes for exceptional children.

We hope this publication will help you in your search for professional books and instructional materials appropriate for achieving relevant educational objectives in the classroom.

Inclusion of an item does not necessarily imply special recommendation by the network. Exclusion of an item from this list is not intended as a reflection on the quality of the item, but merely represents our limitations for purchasing and cataloging.

We will do our best to keep this list up-to-date with periodic distribution of supplements.

A Craig Phillips

INTRODUCTION

HOLDINGS in this list include all books and materials which were catalogued through June 30, 1971. Inclusion of a title does not necessarily imply special recommendation by the Center. Copies of the materials listed here are available at the Center for examination or for loan to clients. Materials listed on green paper are available at the Eastern North Carolina SEIMC, Grifton Elementary School, Box 294, Grifton, N. C. 28530; on gold paper, at the Central North Carolina SEIMC, Division for Exceptional Children, State Department of Public Instruction, Raleigh, N. C. 27602; and on blue paper, at the Western North Carolina SEIMC, 102 Old Clyde Road, Canton, N.C.28716.

APPLICATION FOR NCSEIMC CLIENT STATUS AND LIBRARY CARD may be made by completing the library card application form. Client status is available to anyone concerned with the education of exceptional children.

A REQUEST for an item in our collection should include the library call number. It is possible, however, to request an item by completing the "Request Form for Instructional Materials" or by asking for a material by name.

THE ITEM and a brief annotation are included in the center column.

PRICE, publisher, and copyright date are included in the right-hand column. Prices are subject to change; they are listed here only to give an approximate idea of cost. When the date or price is not known, the abbreviations NDA (no date available) or NPA (no price available) are added.

NAMES AND ADDRESSES OF PUBLISHERS are included at the end of this list. Addresses of publishers not included on this list may be found by consulting publishers catalogs or contacting the SEIMC.

[illegible]	Item	Source
[illegible]	[illegible]. Arithmetic Games. A teacher's guide of intelligent [illegible] for use with children in kindergarten through grade 6 in individual or group situations.	[illegible] 1966 $1.[illegible]
[illegible]	Dumas. Arithmetic Learning Activities. A teacher's guide which offers many activities of integrating arithmetic with other units [illegible] lesson plans for kindergarten through grade 6.	Pearson 1957 $2.[illegible]
[illegible]	Engelmann. Distar Arithmetic I: An Instructional System. An instructional program for the culturally disadvantaged and below average students to teach how to translate statements of arithmetic into operations. Includes teacher's guides and children's take-home materials.	SRA 1969 $90.00
[illegible]	Hunter. The Learning Skills Series: Arithmetic. An arithmetic series developed for [illegible] pupils from 12-18 years of age and designed for both group and individual work.	Webster 1968 $2.88 $[illegible]
[illegible]	Acquiring Arithmetic Skills.	
[illegible]	Building Arithmetic Skills.	
[illegible]	Continuing Arithmetic Skills.	
[illegible]	Directing Arithmetic Skills.	
[illegible]	The Learning Skills Series: Arithmetic, Teacher's Manual.	
[illegible]	[illegible]. Developing Number Experiences Kit A. A kit of manipulative materials and game cards designed to provide children with individual and group experiences in classifying, structuring and ordering sets of objects.	Holt 1966 $24.00
[illegible]	[illegible]. Seeing Through Arithmetic, Books 1-6. An arithmetic series for grades 1-6 consisting of student texts, workbooks, supplementary exercises, duplicating masters and teacher's manuals.	Holt 1963 Prices vary according to level
[illegible]	[illegible]. Mathematics Laboratory Materials. (Primary Edition). A primary mathematics program including: notes to teachers; [illegible] designed to meet [illegible] the slow learners as well as the gifted child.	[illegible] 1964 [illegible]
[illegible]	[illegible] Arithmetic Program, Levels K-6. An arithmetic series for grades K-6 which emphasizes the development of a clear understanding of the number relationships and the computational skills. Teacher's editions and write-in texts included.	[illegible] 1968 Prices vary according to level
[illegible]	[illegible]. Individualized Mathematics: Drill and Practice Kits. Mathematics kits which allow students to work individually at their own rate of speed and on their own ability level and which cover addition, subtraction, multiplication, division and laws of arithmetic.	Random House 1969 $39.95 per kit
[illegible]	Sullivan. Sullivan Mathematics Laboratory. (Sample Packet) A sequence of programmed textbooks including exercises in the four fundamental operations, fractions and decimals.	Behavioral Research 1970 NPA
[illegible]	[illegible]. Arithmetic Handy Pal. [illegible] teaching aids for the study of calendars, writing checks, money, multiplication, [illegible] measurement [illegible]	Tripp 1962 $2.25
[illegible]	[illegible] Calendar. [illegible] calendar with [illegible] date cards [illegible] holidays, special events, changes of seasons, moon phases, etc.	Carolina School 195[illegible] $[illegible].00
[illegible]	Combination Chart. A 21" x 28" chart for teaching multiplication and division through manipulation.	Carolina School NDA $2.00
[illegible]	Counting Line. A plastic coated hardboard with three rows of ten circles each plus thirty circular pieces for teaching ordinality, cardinality, value of numbers, addition and subtraction.	Carolina School NDA $1.95

Call Number	Item	Source
66-21-88-0705	Geometric Symbols and Figures. Four 24 x 36" charts of geometric symbols and figures.	Carolina School 1966 NPA
66-30-59-0415	Ochs. Down the Math Path: Sets. A set of 36 transparencies and a 33rpm record designed to clarify the basic concepts of sets and introduce numbers, numerals, the number line and the concept of place value.	Stone's 1969 $42.95
66-30-63-1905	Peppard. Sequential Calendar. A 3-D, seven-sided cylinder which can be used for every month. The names of the months and pictures representing holidays are included.	DLM 1969 $14.50
66-31-37-0914	Inch Overlay. A transparency with overlays designed to show the inch and the fractional parts.	IMDC 1969 NPA
66-31-81-0312	The Clock. A manipulative 3-D, 10" square transmobile for the overhead projector. Teacher's guide.	Carolina School 1966 $11.75
66-31-81-0705	Geo Board. A 10" square manipulative device for use with the overhead projector consisting of unit-spaced pegs on a transparent plastic base for construction of geometric forms to show areas and formulas.	Carolina School 1966 $9.75
66-31-81-1821	Rulers and Measurement. A 10" square manipulative device with interchangeable rulers and colored shapes for use on overhead projectors.	Carolina School 1967 $9.75
66-50-16-2005	D'Augustine. Teacher's Pre-Number Demonstration Kit. A kit designed to introduce pre-number concepts and basic vocabulary and to be used with Pre-Number Picture Cards.	Harper 1966 $55.00
66-50-32-0201	Hartung. Seeing Through Arithmetic. An arithmetic series for grades K-6 based on the premise that arithmetic is fundamentally a system involving numbers, of relations, such as order, between these numbers, and of operations, such as additior, on these numbers.	Scott 1968 Prices vary according to level
66-50-77-1920-01	Study-Scope Classroom Laboratory for Math Facts. A programmed laboratory designed to reduce pupil resistance to the usually tedions memorization drills in addition, subtraction, multiplication and division facts.	Study-Scope 1966 $55.00
66-50-77-1920-02	Study-Scope Laboratory for Primary Mathematics. A programmed laboratory which covers all mathematics skills generally taught in grades 1-3.	Study-Scope 1969 $79.50
66-61-56-1301	Math Bingo. A math game which helps children learn numerals 1-10 and the names and shapes of 3 geometric figures.	Carolina School 1967 $4.50
66-61-70-1421	Rogan. Numero Cubes, Set I. Ten one-inch numbered cubes designed as aids for the learning of very fundamental number concepts through game procedures.	DLM 1969 $8.00
66-61-70-1421	Rogan. Numero Cubes, Set II. Four one-inch numbered cubes designed to extend a child's number understanding beyond the fundamental stage.	DLM 1969 $3.50
66-61-70-1609	Ross. Pacemaker Games Program. A kit of learning games for young EMR children. Kit includes: Teacher's Manual; 5 game boards; 5 decks of cards: dice; dominoes; whistle; and shape and color counters.	Fearon 1969 $48.00
66-62-23-1421	Number Puzzle. Ten 3 x 6" fiberboard puzzles designed to help the child match the numeral with the correct number of items.	REC NDA $4.50

Call Number	Item	Source
66-63-09-0705	Geometric Figures and Solids. A plastic container containing 21 wooden pieces for the study of surfaces, solids and angles in elementary geometry.	Carolina School NDA $12.00
66-63-37-0301	Cash Box with Play Money. A cash box containing 184 paper coins and 40 bills.	Carolina School NDA $1.30
66-63-37-1901	Sandpaper Numbers and Symbols. A set of numbers 0-9 and the operation symbols cut from sandpaper and glued to masonite tiles.	IMDC 1969 NPA
66-65-37-0301	Calendar Board. A framed 24 1/8" x 8½" x 3/4" plywood board divided into 2 sections, one section for a picture and one section with L hooks for the days of the months.	IMDC 1969 NPA
66-65-37-1021	Jumbo Counting Frame. A 22 x 24" steel counting frame for grades K-3.	Carolina School NDA $12.50
66-65-37-1471	Number Cubes. Twenty one-inch orange and yellow cubes with the numbers 1 through 6 printed on them, one number per face.	IMDC 1969 NPA
66-65-37-2305	Weights. A series of six snuff cans painted black with varying weights.	IMDC 1969 NPA
66-65-46-1215	Logical Shapes. A 15 x 10½" plastic tray containing plastic pieces of different shapes such as circles, squares, triangles and rectangles.	REC NDA $28.00
66-65-47-2009	Time Teller Clock. A 10½ x 5" plastic clock with movable hands and a set of numbers for expressing the time shown on the clock.	REC NDA $2.00
66-65-57-1515	Noel. 1-10 Basic Rods and Counters, Boxes 1 and 2. Two boxes containing wooden baseboards numbered 1-10 with plastic rods of graduated length on which multi-colored plastic counters can be stacked. Designed for pre-school-2nd grade. Box 1 has the baseboard in one piece and Box 2 has each set on a separate baseboard.	REC NDA 1-$3.50 2-$4.00
66-65-57-2209	Noel. Visual Fractions Apparatus. A set of fractional parts of a circle including 2 wholes, 4 halves, 8 quarters, 6 thirds and an activity card designed to be used with pre-school-4th grade students.	REC NDA $5.00
66-65-64-0305	The Century Counting and Table Board. A grey heavy-duty plastic board with 100 recesses into which the loose Unifix cubes fit. Designed so that young children can manipulate individual cubes.	REC NDA $1.50
66-65-64-0305	Century 1-100 Plastic Number Tablets. A box of tablets which can be used with the 1-100 Counting Board.	REC NDA $5.00
66-65-64-0315	Counterbalance Fractional Units. A box of blue and yellow 1 oz. plastic discs which can be used with the Practical Scales.	REC 1966 $12.00
66-65-64-1618	Practical Scales. A pair of scales with a detachable metal pan which can be used with metal or plastic disc weights.	REC NDA $20.00
66-65-64-2205	Vertic 1-10 Counting Pole. A 13 1/3" high counting pole for use with pre-school-4th grade children for making vertical number groups.	REC NDA $3.00
66-65-70-0102	Rogan. The Abacus and Arithmetic. A colorfully beaded abacus with a 15 x 19" wooden frame and stand. Teacher's guide included.	DLM 1968 $8.75

Call Number	Item	Source
66-65-70-1612	Playtime Clock. A 10 x 12" plastic clock which can be taken apart and which has hands and gears that rotate with a realistic "tick-tock."	DLM NDA $3.50
66-65-88-0201	Base 10 Counting Frame. A 7 x 10" white plastic tray with 10 rows of 10 manipulative counters designed to teach counting, addition, and subtraction.	Carolina School 1967 $2.95
66-65-88-0705	Geoforms. Nine 5 3/4 x 3/4" interlocking plastic strips to be manipulated into various geometric shapes.	Carolina School 1967 $2.50
66-65-88-0705	Geo Board. A 7 x 7" plastic board and 50 pegs which demonstrate units of measure for both area and perimeter of polygons.	Carolina School NDA $1.20
66-65-88-0815	Hold-on Setmaker. A kit containing four 13 x 11½" red vinyl pouches with transparent facings, 2 sets of 8½ x 9" numeral cards, 4 3/4" x 9" adjustable belts and a teacher's guide. Designed to provide elementary work with set equality, subsets, ordinal sets and cardinality of sets.	Carolina School 1967 $6.50
66-65-88-0914	Wentworth. Introduction to Area. A kit containing a plastic grid, 2 instruction cards and 7 color cards designed to give children immediate information on area calculation.	REC NDA $2.00
66-65-88-2209	Wakelam. Visigraph Individual Fraction Board. A kit containing 47 colored plastic geometric shapes designed to invite children to study in detail the composition of circles and rectangles.	REC NDA $3.50
66-65-93-0321	Cuisenaire Rods. A set of rods designed with uniform color for each length for manipulatory activities in learning basic mathematics skills.	Xerox NDA $3.85 per set
66-66-09-1315	Modern Mathematics Kindergarten Kit. A kit containing over 150 felt objects, numerals and math symbols for use on a flannel board and representing an activity approach to new mathematic ideas for kindergarten.	Carolina School 1964 $3.00
66-66-50-0415	Merton. Dollars and Cents Place Value Kit. A flannel board kit containing pennies, dimes, dollar bills, name cards, decimal point, dollar sign, dividers and directions for grades 3-4.	Carolina School 1961 $1.25

75-08-74-0201	Shea. Basic Essentials of Mathematics, Parts 1 and 2. Two worktexts which contain complete explanations, model solutions to problems, and numerous exercises to assist students of mathematics. Part 1 stresses the four fundamental operations with whole numbers, common fractions and decimal fractions. Part 2 includes a study of percent, measurement, ratio and proportion and simple equations. Level: Grades 5-9.	Steck 1965 $.69 per book
75-08-75-0815	Smith. How to Read Better, Books 1 and 2. Two worktexts presenting easy, adult-centered stories followed by exercises which direct attention toward getting main ideas, remembering facts and analyzing situations. Vocabulary is on a fifth-and sixth-grade reading level.	Steck 1964 $.54 each
75-08-75-0923-01	Smith. I Want to Read and Write. A workbook featuring controlled vocabulary, exercises, reviews, and tests which provide adequate instruction in all basic reading skills for beginners or for students who need additional practice. Level: Grades 3-4.	Steck 1965 $.72
75-08-75-0923-02	Smith. I Want to Learn English. A workbook designed to provide adults with the fundamentals of English, reading, and writing on a fourth-or fifth-grade level. It may be used as an English text to accompany I Want to Read and Write.	Steck 1965 $.72
75-08-75-1325	Smith. My Country. A worktext featuring simple exercises and activities based on meaningful stories about our country and government and presenting the basic reading skills of the third-and fourth grade levels.	Steck 1964 $.54
75-08-76-0618	Hancock. From A to Z. A workbook designed to teach the letters of the alphabet to adults. Each letter is introduced first in the manuscript form and then in the cursive form and is accompanied by illustrations, basic words to identify sounds, and simple exercises.	Steck 1966 $.36
75-08-76-2305	Spitze. We Are What We Eat. A worktext designed especially for adults providing informative reading material and instructional exercises about meal planning, the selection and preparation of good foods, and economical shopping habits. Level: Grades 3-4.	Steck 1966 $.72
75-08-76-2308	Spitze. Where Does the Money Go? A worktext which utilizes stories of three neighboring families to present sound ideas on money management and wise consumer buying. Exercises following each reading selection permit the individual to demonstrate his comprehension of the reading material and to express his ideas or interpretation of the story situation. Level: Grades 3-4.	Steck 1969 $.72
-08-76-2515	Globe. You and Your Money. An adult-oriented worktext which provides sound information about good practices in consumer buying and money management. Vocabulary is on the third-or fourth-grade level.	Steck 1967 $.54

Call Number	Item	Source
75-08-77-1920	Steps to Learning. Books 1 and 2. Two workbooks which meet the needs of adults in beginning reading, writing, and number study by providing interesting reading and work-type material in sequential order. The simple number problems reflect such adult activities as counting money, using a ruler, and solving simple addition and subtraction problems. Vocabulary is on a first-to third-grade level.	Steck 1965 $.60 each
75-08-77-1920	Steps to Mathematics, Books 1 and 2. Two workbooks for the beginning level which present basic concepts of our number system and provide ample practice in performing the fundamental operations--while using only whole numbers. Level: Grades 1-4.	Steck 1969 $.60 each
75-08-81-1805	Truitt. Read Better with Jim King. A workbook presenting exercises in the basic reading skills for the non-reading adult and adolescent.	Steck 1969 $.72
75-08-87-1205	Varnado. Learning Our Language, Books 1 and 2. Two worktexts which provide a thorough study of functional English on the sixth-to eighth-grade levels. The adult-oriented exercises place special emphasis on practical usage, vocabulary development and fundamental mechanics of our language.	Steck 1968 $.72 each
75-08-87-0201	Varnado. Basic Science for Living, Books 1 and 2. Two worktexts which provide a review of basic scientific facts and ideas, promote self-teaching and develop reading comprehension through reading, vocabulary studies and checkup questions in general science. Book 1 discusses the solar system, composition and forms of matter, types of plant and animal life, human anatomy and physiology as well as good health habits. Book 2 explains the various forms of energy and how these forms affect everyday life. Grades 7-9.	Steck 1965 $.66 each
75-08-88-0609	Wallace. Figure It Out, Books 1 and 2. An arithmetic program consisting of two workbooks and an instructor's book for new learners and advanced learners and students in need of refresher courses. Teaches the four basic arithmetic processes and gives special attention to money and measurements.	Follett 1965 1-$.96 2-$1.08 $3.75-Instr. Bk.
75-50-01-1805	Adair. Reading for a Purpose. A beginning reading program consisting of transparencies, a workbook and an instructor's book. Designed to raise adult basic-education students to the level of functional literacy. Utilizes both sight word and phonetic approaches.	Follett 1965 $1.56-Workbook $4.50-Instr. Bk. $22.50-Trans.
